

Indiana DNR  
Division of Forestry

*Small Woodlot Owner  
Consultant Directory*

*This directory and the Indiana Woodlot Owner Resource Series was developed for property owners who have ten acres or less of woodlands.*

- All of these foresters offer references upon request and are members of professional associations that advance their expertise.
- They all have Professional liability insurance coverage or Commercial general liability insurance. Always check insurance coverage when having someone work on your property.
- Before hiring anyone to begin work on your property, make sure that you and the forester understand the proposed work and the fees involved via a written work plan.
- Please note that most of these foresters are also listed in the **Indiana Forestry & Woodland Owners Association (IFWOA), 2008-09 Directory of Professional Foresters** and also provide forestry services to landowners with large tracts of forest land.

### Explanation -Forestry Consulting Services
